

GILLOZ DORSAZ & ASSOCIÉS

Litigation and arbitration

Our firm assists corporate entities and individuals in their professional activities and helps them deal with the vicissitudes of business life. We advise and assist them in disputes arising between them and their contract partners or the authorities, in business, contractual, banking, finance and tax matters, all areas in which we are active even outside the context of litigation.

We provide assistance and legal representation to our clients in contested cases before Swiss judiciary or administrative authorities and before arbitral tribunals in Switzerland and abroad.

Our firm enjoys a reputation of competence and professionalism in judicial and administrative circles.

Our activities in litigation and arbitration matters include:

- Provisional measures and attachment
- Asset recovery through seizure of assets or bankruptcy proceedings, including collection of securities and sale of collateral
- Enforcement of foreign judgments and arbitral awards
- Disputes relating to corporate matters, contracts, trademarks, unfair competition and civil liability
- Litigation in banking and financial matters
- Fiscal proceedings (direct tax and VAT)
- International administrative assistance in tax and financial matters
- Commercial arbitration in Switzerland and abroad
